

*January and March 2009
call for artist and curator
exhibition proposals*

BOX 13 ArtSpace is a nonprofit artist run innovative environment for the creation and advancement of experimental contemporary art in Houston. BOX 13 artists create this environment through the offering of affordable workspaces for emerging and established artists, dedicating three interior spaces to the exhibition of artistic explorations, a window box gallery for installations, its front building facade for installations, and an outdoor performance space. BOX 13 promotes dialogue among artists and the art community on current trends affecting the arts.

BOX 13 is a nonprofit corporation.

2009 exhibition call for artist and curator proposals

Box13 ArtSpace is currently accepting proposals for the 2009 calendar year for exhibitions in its two downstairs galleries (~1000 sf each), the window box gallery, the front building façade, and outdoor performance courtyard. Artists and curators are invited to submit recent (or proposed) experimental works not previously shown in Houston.

Exhibition and performance proposals will be reviewed and selections made by a committee of artist resident members of BOX 13 and potentially guest curator(s) for exhibitions/performances.

BOX 13 will accept proposals twice per year to discuss and make programming decisions for the BOX for no more than 18 months into the future from the meeting date. The next upcoming submission deadline for review is 4 pm on September 1, 2008. Any proposal received after this date will be placed on file for the next review in approximately six months. . This is not a postmark deadline; submissions must be received by 4 pm September 1, 2008.

BOX exhibition/performance space floor plans and photos of may be viewed on our website.

All proposals must be submitted in digital format on CDs and DVDs only. Additionally all requested material may be posted to a single page on a website and the link may be submitted. No paper materials will be reviewed. The BOX is committed to the reducing our environmental impact when possible and streamlining the application and review process.
